The photos and stories in this collection

illustrate Mennonite Central Committee's work to alleviate hunger. The world produces enough food for everyone, yet millions go hungry every day. MCC Penny Power helps hungry people have food for today, grow food for tomorrow and share food for all. In these pages are stories of people in different countries. Additional information is available at pennypower.org or mcc.org. Thank you for listening to the stories of those affected by hunger and learning what you can do to help.

(Storytellers are encouraged to adapt vocabulary and include/exclude details appropriate for the age group with which they are working.)
